

GREG JACOBSON

ONE OF THE WORLD'S LEADING STRATEGISTS
FOR CREATING A SUCCESS MINDSET

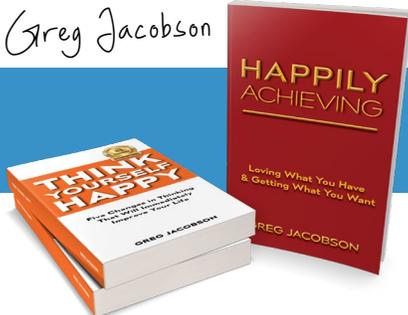

There is a big problem we are facing, according to a study released by the American Academy of Pediatrics, suicide attempts in have almost doubled over the last decade. Despite medications, counseling, food and other distractions, our happiness levels remain stubbornly low. **This must change!**

Greg founded and built a \$100,000,000 (one hundred million) company with \$0 start up capital, and then after abdicating all corporate responsibilities to his partner, lost it all. According to Greg, it's the best thing that could have ever happened. Instead of falling apart, he pulled it together. He shows how you can be happy regardless of external circumstances.

"My job is to get people to ask themselves the right questions, so they can be inspired to do the things that truly inspire them."
